Subject: Deficiencies of Replacement Reclamation Surety, Staker and Parson
Companies, Lehi Quarry, M/049/031, Utah County, Utah

Dear Mr. Dalley:

On September 26, 2005, the Division received the Liberty Mutual Insurance Company bond no. 14-036-977 in the amount of \$456,300.00 for Staker and Parson Companies Lehi Quarry, which replaces XL Specialty bond no. SB0085230. Before this bond can be approved, there are some errors that need corrections made, which will require a rider issued by Liberty Mutual Insurance Company. The following changes are required:

- Company name, Staker & Parson Companies DBA Staker Paving and Construction Company is unacceptable. Company name shall be Staker & Parson Companies.
- The mining and reclamation plan date of October 28, 1997 is incorrect. This date shall be April 6, 1999.
- The surety was executed October 28, 2005. The document and notary cannot be post-dated.

A copy of the surety bond is enclosed for your convenience. The surety bond issued by XL Specialty will not be returned until corrections have been made and a rider is issued to the Liberty Mutual replacement bond.

If you or the surety have any questions, please contact me at (801) 538-5258 or Beth Ericksen at 538-5318 to discuss this situation further. Thank you for your consideration and prompt attention to this important permitting requirement.

Sincerely,

Susan M. White
Mine Program Coordinator
Minerals Regulatory Program
